Instructions for the Preparation of the Qualitative Section of the
Personnel Allocation Plan (PAP) and the Mobilization Personnel Allocation Plan (MPAP)

1. This Section will be derived from SUPERS allowance and phased complements. It will be a qualitative breakdown of both the PAP and of the quantitative MPAP section less the "Contingents" and "Transients, Patients, and Prisoners" segments (segment 8 and 9) thereof.

2. The officer and enlisted tabulations will be made in the following reports identified by report symbols as hereinafter indicated:

a. Officer

(1) Report Symbol CA-230A

Report will reflect overall Navy totals for allowances and appropriate complement phases, broken down by Navy Officer Billet Classification Code, designator code, and grade code with sub-totals for each.

(2) Report Symbol CA-230B

Report will reflect overall Navy totals for allowances and appropriate complement phases, broken down by designator and grade code with sub-totals for each.

(3) Report Symbol CA-230C

Report will reflect totals, by segment, for allowances and appropriate complement phases, broken down by Navy Officer Billet Classification Code, designator code, and grade code with sub-totals for each.

(4) Report Symbol CA-230D

Report will reflect totals, by segment, for allowances and appropriate complement phases, broken down by designator and grade code with sub-totals for each.

b. Enlisted

(1) Report Symbol CA-130A

Report will reflect overall Navy totals for allowances and appropriate complement phases, broken down by General and/or Emergency Service Rating Group, rating and rate with sub-totals for each.

(2) Report Symbol CA-130B

Report will reflect overall Navy totals for allowances and appropriate complement phases, broken down by Navy Enlisted Classification Code, sub-totals indicated by EJC.

(3) Report Symbol CA-130C

Report will reflect totals, by segment, for allowances and appropriate complement phases, broken down by General and/or Emergency Service Rating, rating and rate with sub-totals for each.

(4) Report Symbol CA-130D

Report will reflect totals, by segment, for allowances and appropriate complement phases, broken down by Navy Enlisted Classification Code, sub-totals indicated by EJC.
